Alumni Representative Erick Garcia arrived at 10:20 a.m.

**a. ASI/LSU Discussion**

Chairperson Pablos updated the board on the latest proposed ASI/LSU merger goings-on.

On April 17 and April 18 CSU Dominguez Hills held video conferences with CSU Long Beach and San Diego State University regarding the structure of their organizations. The video conferences revealed that both San Diego State University and CSU Long Beach's student unions began as combined entities with their respective ASI. Both universities have similar organizational structures as the LSU and utilize separate boards for ASI and the student union, but are the same legal entity.

In the discussion, Dr. Marcelo Vazquez clarified that if a merger were to move forward both boards would be able to work in collaboration while maintaining autonomy.

Chairperson Pablos identified that both Universities benefited from starting as combined entities and could not provide insight on the effects of a merger. What the video conference did show was that the student unions at CSU Long Beach and San Diego State University are successful as combined entities.

Dr. Vazquez stated that one of the benefits that came from the collaboration at CSU Long Beach was the creation of a programming branch, jointly funded by ASI and the student union; assisting student leaders create events on campus.

Chairperson Pablos shared that there will be more video conference presentations.

**b. Organizational Goals**

Director Ortiz presented the progress and achievements to reach the organizational goals adopted on March 3, 2017, by the Board of Directors. **a. Resolution to Identify Alternatives to Proposed Dissolution of Donald P. and Katherine B. Loker University Students Union, Inc., to Merge with Associated Students, Inc. First Reading**

The Board read and discussed the contents of the resolution to identify alternatives to the proposed dissolution of the LSU and merger with ASI. The purpose of the resolution is to state the position of the board regarding the ASI/LSU merger.

The resolution states that the LSU Board of Directors defers from making a decision on the proposed dissolution of the LSU to merge with ASI until July 1, 2018, when the new University President and student leaders on the LSU and ASI boards have transitioned. The resolution seeks to explore alternative solutions with all parties involved.

President's Designee Richard Chester referred to the memorandum released by President Hagen who endorses the merger with the best interest of students in mind. Mr. Chester asked the board not to move forward with the resolution.

The board further discussed the resolution. Dr. Marcelo Vazquez and Erick Garcia mentioned that the phrase "LSU and ASI merge into a single entity incapable" is premature because at this stage of the process it is too early to rule out the possibility of a merger.

Erick Garcia moved that the resolution be returned to the Executive Committee for a redraft with input from the Board of Directors; Daniel Cutrone seconded the motion.

The motion passed by majority vote.

***Motion passed. 7-1-1.***

**b. Third Quarter Financial Review**

Finance committee members Johnathan Thomas and Christian Sanchez presented the third quarter financial report for fiscal year 2017-2018.

The expected optimum range is 70% to 80%. The finance committee reviewed the information in detail on April 18, 2018.

Student fees totaled \$2.8 million. There was a large increase of miscellaneous income due to reimbursements related to the leasehold improvements and the relocation of Campus Dining offices. Actual revenues totaled \$3,187,291.

Year-to-date expenses amounted to \$1,760,692. However, actual total expenses will change due to pending expenses that have yet to post and other capital projects that are in process.

**c. Hospitality Policy Revision**

ASI Representative Marquel Reid stepped out at 11:39 a.m.

The LSU recently completed a project to identify all policies enacted by the board throughout its history. It was discovered that the board adopted a Public Relations Policy in 2000. Current LSU staff were unaware of that policy when it adopted the Hospitality Expense Policy in 2016.

ASI Representative Marquel Reid returned at 11:40 a.m.

The LSU has two governing policies that address the same issue. To avoid confusion, the recommendation is to update the Hospitality Policy with language stating that it supercedes the Public Relations Policy. Other revisions include inclusive language by using gender neutral pronouns in the document.

Grace Iheke motioned to approve the revised Hospitality Expense Policy; Tamala Lewis seconded the motion.

The motion passed by majority vote.

***The motion passed. 9-0-1.***
